STEAMER TO BE RAISED

Report That Queen City Is To Be Wrecked Is Without Basis.

The Ohio River steamer Queen City, which was sunk last week while en route south with 105 passengers as Mardi Gras visitors at Louisville, has been relieved of her cargo with exception of one hundred barrels of glassware and several hundred cases of medicine which remain in the hold of the steamer. There was a report that the vessel was to be blown up, but the insurance company having the risk states that as soon as the river recedes she will be raised. This may be some time soon.

A MESSAGE TO WOMEN

Who Are "Just Ready to Drop."

When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about—and because you have not slept well, you get up as tired out next morning as when you went to bed, you need help. Miss Lea Dumas writes from Malone, N. Y., saying: "I was in a badly run-down condition for several weeks but two bottles of Vinol put me on my feet again and made me strong and well. Vinol has done me more good than all the other medicines I ever took." If the careworn, run-down women, the pale, sickly children and feeble old folks around here would follow Miss Dumas' example, they, too, would soon be able to say that Vinol, our delicious cod liver and iron remedy, had built them up and made them strong. It is a wonderful, strength creator and body-builder, and we sell it under a guarantee of satisfaction. You get your money back if Vinol does not help you. J. C. Peacor, Druggist, Maysville, P. S.—For my skin trouble try our Saxo Salve. We guarantee it.

WOMAN'S BEAUTY NO SECRET

It all lies in the care she bestows upon herself and in keeping at bay those dread ills peculiar to her sex. The flashing eye, the elastic step and the clear complexion never accompany organic troubles. The distressed expression, lassitude, headaches and mental depression are only the tell-tale symptoms. Women so troubled should take Lydia E. Pinkham's Vegetable Compound, that simple remedy made from roots and herbs and restore their health to a normal condition.

(Mt. Olivet Advance.) Mr. John Bays, one of Robertson's best and most prosperous citizens, living in Alhambra neighborhood, called at our office yesterday.

Four fine big lambs from one mother is a rare occurrence. He is feeding two of them.

C. G. & P. EXTENSION

West Union States Trust Bonus Will Be Paid When Road Is Built To That Town.

(Georgetown (Ohio) News-Democrat.) Another step has been taken in the negotiations looking toward the extension of the C. G. & P. from Eagle creek to West Union this summer. This came in a letter received by Judge Thompson from Attorney W. P. Stephenson of West Union. This proposition is that the people there will make a cash donation of \$10,000 for building the road, and furnish the rights of way in Adams County. This proposition is to be reported to the management of the road for consideration. It is recalled that the original proposition submitted was for \$25,000 and the rights of way. Mr. Stephenson says that after canvassing the situation West Union business men have found that it will be impossible to raise this amount, and then follows the proposition announced above.

GROOM DIDN'T SUIT

Because He Was a Little John Chinaman—Cupid Now Hangs His Head.

(Mt. Olivet Advance.) Mrs. Proctor Berry is home after an extended stay with her parents in Cincinnati.

While in that city she was a witness to a strange happening which we take the liberty to relate. A young lady, who lives near Mrs. Berry's folks, obtained by some means the name of an unknown West Virginia gentleman, like her own sweet self, matrimonially inclined. A correspondence began. Photos were exchanged and things took on a rosy hue. An engagement followed. The fateful day was named, and a diamond ring came as the emblem of their never-dying love.

One evening last week a gathering of friends met, Mrs. Berry being one of them, to await the arrival of the groom and the celebration of the rites. The eager expectancy of the bride, and the anxiety of the friends that the lover would be happy and handsome as easily imagined.

Judge of their astonishment when in stepped a native of the Celestial Kingdom—a pure bred Chinaman. The wedding was, of course, postponed. The groom expressed a willingness to proceed with a fulfillment of the contract, but it was too much for

REV. "BILLY" SUNDAY

Some Interesting Reflections, Facts and Figures Concerning This Country's Greatest Religious Evangelist.

A comparison between Pittsburgh, where Evangelist Sunday completed his revival campaign, and other cities shows:

	Collections.	Converts.
Pittsburgh	\$87,315.43	24,316
Staubenville	11,345.58	7,883
Columbus	20,229.38	10,022
McKeesport	13,348.00	18,137
Toledo	15,423.00	7,686
Wheeling	17,450.00	8,300
Springfield	14,800.00	6,994
New Castle	14,800.00	6,683
Erie	11,565.00	5,312
Portsmouth	12,554.00	5,224
Canton	12,500.00	5,640
Youngstown	12,000.00	5,915
South Bend	10,500.00	6,308
Wilkes Barre	22,185.00	10,584
Beaver Falls	14,000.00	6,600
Lima	8,000.00	5,659
East Liverpool	7,000.00	6,354

Totals \$251,618.59 132,832 The above figures are very suggestive. The Rev. Mr. Sunday spent on an average of six weeks at each of the above cities or in all about two years work. \$251,618.59 looks like a big salary for the two years. This money is paid Mr. Sunday and he pays his helpers out of that money. It is never hard to get money for Mr. Sunday. In the beginning it may take some trouble to pay for the tabernacle and running expenses, but when the last Sunday comes and "Billy" as he is affectionately called is to receive the collection, there is no trouble. The multitude is won, and the money comes.

A second thought is the amount paid and the converts. If the money paid is the cost, we find Mr. Sunday's converts come cheap; an average price of \$1.65 apiece. We know of wonderfully equipped churches where the converts and additions to the churches cost over \$200 per convert and additions. There are very few churches where the additions and converts cost the church less than \$10 per convert; so in a monetary view Rev. Billy Sunday's service does not come high nor does he seem unreasonable.

A third thought: Do the Rev. "Billy" Sunday's converts stick? They stick as well as the average convert; the writer has and knows of them still sticking and working, and paying their money. "Billy's" converts are enthusiasts, they go after the other fellow.

A fourth thought: Why is he so successful? It is the wonderful systematic organization. Hundreds of prayer meetings are organized, led by devoted men and women, all meeting at the same hour, say 10 o'clock in the morn-

ing and lasting only thirty minutes. No prayer district over two squares. These prayer meetings are held from 4 to 6 weeks before "Billy" comes. You see the people are thoroughly prepared for his advent. Any city who will follow six weeks devotion in prayer meeting; comprising only two squares will be a pretty good condition for a revival under any leader. It blesses such efforts. Then after Billy comes at the tabernacle the same organization holds good. No demonstration, but hundreds of busy workers out in the crowd after the sermon and the way they stream down the saw dust trail is a sight to make angels glad to behold.

The other members of Billy's organization may eat big dinners, but not Mr. Billy, he's always at his home, or perhaps out at some little cottage prayer where he is not known. Mr. Sunday's work will live and grow. Thousands of workers today are using his way and with God's help are doing a wonderful work. God helps the industrious man and "Billy" Sunday is the man of industry in God's Kingdom.
